Mr. Jessie Brown

Boston Mass.

Dear Jessie:

Your letter of Feb. 26th received. I was very glad to hear from you, and very glad to know you are felling well. If you have gained as much weight as you say you must have been really sick when you were here,

It is also nice to hear of your position. I would like to hear more about it. I am sure the fans would like to read about on of the ball players in a position of that sort. If you send me the story I will have the papers to carry it.

Now about you coming back to The Eagles, if you are working, especially the kind of work you are doing, I think it will be more sensible for you to stay on your job until we return from camp, and join the team when it returns to Newark. After all you have a family and responsibilities, and we are away about six weeks with no pay, before the season starts.

You know what is required on this club, and if you want to come back it is alright with me.

I will be looking to hear form you.

Mrs Manley sends her regards to the family.

Very Truly Yours
